Dear Plan Administrator:

The U.S. Department of Labor ("Department") has completed its limited review of the audit workpapers submitted by the Plan's independent qualified public accountant (IQPA), Needles & Assoc. , in response to the Department's Notice dated September 23, 2016. The audit workpapers were prepared by the IQPA in support of its opinion on the above Plan's financial statements. Based upon our review of the limited audit workpapers provided to us, nothing came to our attention that would warrant further action at this time.

Please be aware that the Department is not precluded from taking any further action on issues under the Employee Retirement Income Security Act of 1974, as amended, surrounding your duties and obligations as the Plan Administrator.

If you have any questions, please feel free to contact Mr. Wm. H. Bailey, Sr. Auditor, at 202-693-8372. (This is not a toll-free number.)

Sincerely,

A handwritten signature in black ink, appearing to read "MAE" followed by a flourish and the word "for" written in a smaller, cursive script.
